

Elandskloof, established in 1960, stands as the oldest trout farm in Mpumalanga. Initially sparked by Dolf Combrink's passion for fly fishing and trout breeding, the resort was a minor aspect of the farm's activities back then. However, it has since grown into a significantly larger operation. Presently, Elandskloof remains under the management of the Combrink family.

- Private bathrooms (only available out of season at additional cost.)

Dogs are welcome for an extra charge of R30 per dog per day.

## RESTAURANT

Our restaurant only operates on specific dates. Please confirm with reception if the restaurant will be open during your stay.

## FLY FISHING

Our farm features seven dams, each stocked with a variety hatchery trout. The dams range in size from small to 3 hectares. While we encourage catch and release, anglers are allowed a bag limit of 2 trout. Anglers must have a valid **ELANDSKLOOF** permit in their possession at all times.

## HIKING & MOUNTAIN BIKING

Indulge in a rejuvenating walk or a calming stroll through our unspoiled grasslands, showcasing a variety of flora, including the rare ground orchids.

Our mountain biking trails are not for the faint-hearted. These challenging mountains reach serious altitudes ranging from 1750m to 2000m.

## HORSEBACK RIDING

Horseback riding available at The Outpost Dullstroom across the road from Elandskloof Trout Farm.

Contact for bookings: 082 516 6522.

## GAME VIEWING & GAME DRIVES

We have 15 game species and over 800 antelope on the farm, along with various smaller reptiles. Additionally, there are several wild small game species like the common duiker, otter, vervet monkey, black-backed jackal, genet, mongoose, aardvark, springhare, and porcupine.

We offer game drives on request, please inquire at reception for our rates and available time slots.

## BIRD WATCHING

Over 200 bird species can be found on the farm, including Fish Eagles, Crown Cranes, Blue Cranes, Wattle Cranes, geese, ducks, guinea fowl, and more. It truly is a paradise for bird watchers.

## HEATED POOL & JACUZZI

Natural spring water indoor pool, heated for the enjoyment of the entire family. The water may not always be perfectly clear due to heavy rainfall, regular fresh water additions, and minimal chemical usage.

Please be aware that the pool is heated on weekends and during peak times, but not on weekdays or during quieter periods. However, if there are guests in the lodge, the Jacuzzi can be filled upon request.
