Macnab's

Macnab Challenge 2017

To qualify, hunters need to hunt a Blesbuck ram, shoot a game bird on wing and catch a Rainbow or Brown trout in a lake or dam. . All taken ethically and in the spirit of the sport, this is the challenge of a true Macnab hunt. This feat needs to be accomplished between sunrise and sunset on the same day. It is an exciting, adrenaline-pumping rush from one venue to the next in an environment where nature deals the cards. The achiever is rewarded with a certificate proving he has successfully succeeded in completing the Macnab challenge together with a satisfying feel of success. Macnab challenge will be conducted in the Mpumalanga Province between the towns of Dullstroom and Belfast.
